Montréal, Canada
February 7, 2005

IN THE U.S. PATENT AND TRADEMARK OFFICE

In re Application of:

Applicant: Zhengding SU et al.

For: STAPHYLOCOCCAL NUCLEASE FUSION PROTEINS FOR THE PRODUCTION OF RECOMBINANT PEPTIDES

Filed:

Serial No.:

Agent: Christian Cawthorn Direct line: (514) 847-4256

STATEMENT UNDER 1.821 (f)

Director of the USPTO/Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450
U. S. A.

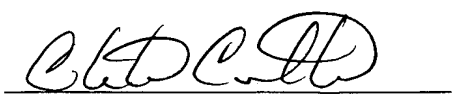

Sir:

In connection with this Application, a Computer-Readable Copy of the sequence listing required under 1.821 is being submitted concurrently with the Sequence Listing (pages 1/30 to 30/30 of the above-noted application).

As required under 1.821(f), the undersigned hereby states that the content of the paper copy, which comprises the General Information and the Sequence Listing, and the computer-readable copy are the same and do not introduce new subject matter.

This statement is made by a person registered to practice before the U.S. Patent and Trademark Office and as such, a verified statement is not required and is not being submitted.

Respectfully submitted,

Christian Cawthorn
